RE: *City of Detroit, Michigan*, Chapter 9
Case No. 13-53846

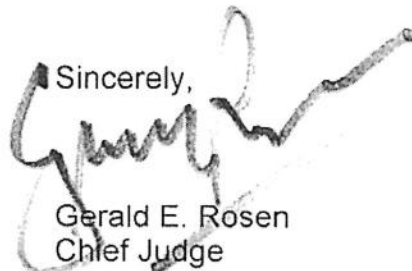

Dear Chief Judge Batchelder:

Following up our conversation this morning, I am including a letter from Chief Bankruptcy Judge Phillip Shefferly informing me that it is the unanimous and strong recommendation of his Bench that in your capacity as Chief Judge of the Sixth Circuit under 11 U.S.C. § 921(b), you designate Bankruptcy Judge Steven W. Rhodes as the Bankruptcy Judge to preside over the City of Detroit Chapter 9 case. As reflected in Chief Judge Shefferly's letter, I have confirmed that Judge Rhodes is willing to serve in this capacity for the duration of the case.

I have surveyed a large cross section of my Bench and can tell you that we wholeheartedly endorse the Bankruptcy Court's recommendation, for all of the reasons set forth in Chief Judge Shefferly's letter. I can also report that I have worked extensively with Judge Rhodes when he was Chief Judge of the Bankruptcy Court, and he has outstanding administrative and management skills, which of course will be necessary in handling a case of this magnitude.

On behalf of my Bench, I thank you for the offer of resource support that you have made, and look forward to working with you and your staff in this challenging matter.

With best wishes, I am

Sincerely,

Gerald E. Rosen
Chief Judge

Re: *City of Detroit, Michigan*, Chapter 9 Case No. 13-53846

Dear Chief Judge Rosen:

You have asked for our Court's view as to which bankruptcy judge is best qualified to preside over the City of Detroit Chapter 9 case. I have canvassed each bankruptcy judge in the Eastern District of Michigan. It is our unanimous and very strong belief that Honorable Steven W. Rhodes is the bankruptcy judge best qualified to preside over the City of Detroit Chapter 9 case.

Judge Rhodes is one of the most accomplished bankruptcy judges in the country, and is nationally recognized as such. He has served 28 years as a bankruptcy judge in this district, including many years as chief judge, and has presided over many large and complex cases. He also presided over the only previous Chapter 9 case filed in our district and is very knowledgeable about the relationship of federal bankruptcy law to state constitutional and other state law, which will likely be an important issue in this case. Judge Rhodes has the skill and experience to best handle this case.

I have discussed this case with Judge Rhodes, and he has assured me that, if assigned to him, he has the time and is willing to preside over this case for its duration.

Thank you for seeking our input. If you have any additional questions, please let me know.

Very truly yours,

Phillip J. Shefferly
